

How investment law undermines climate action

Clémentine Baldon

13 mars 2023

What impact does investment arbitration have on climate action and #transition?

Clémentine Baldon participated in a roundtable organised as part of the international high-level lecture series, by Alma Mater Europaea (11th Annual Conference of Europe's Sciences and Arts Leaders and Scholars), with eminent academics: Nicolás Marcelo Perrone, Kyla Tienhaara, Christina Eckes, moderated by Lea Di Salvatore.
